ONLY THE COWS GET TO SEE IT. WHAT IS THE PURPOSE OF THESE OVERALLS?
EVEN THOUGH ALL THE THIRD-YEAR STUDENTS ORDERED TAILOR-MADE OVERALLS JUST FOR THIS EVENT
Debates

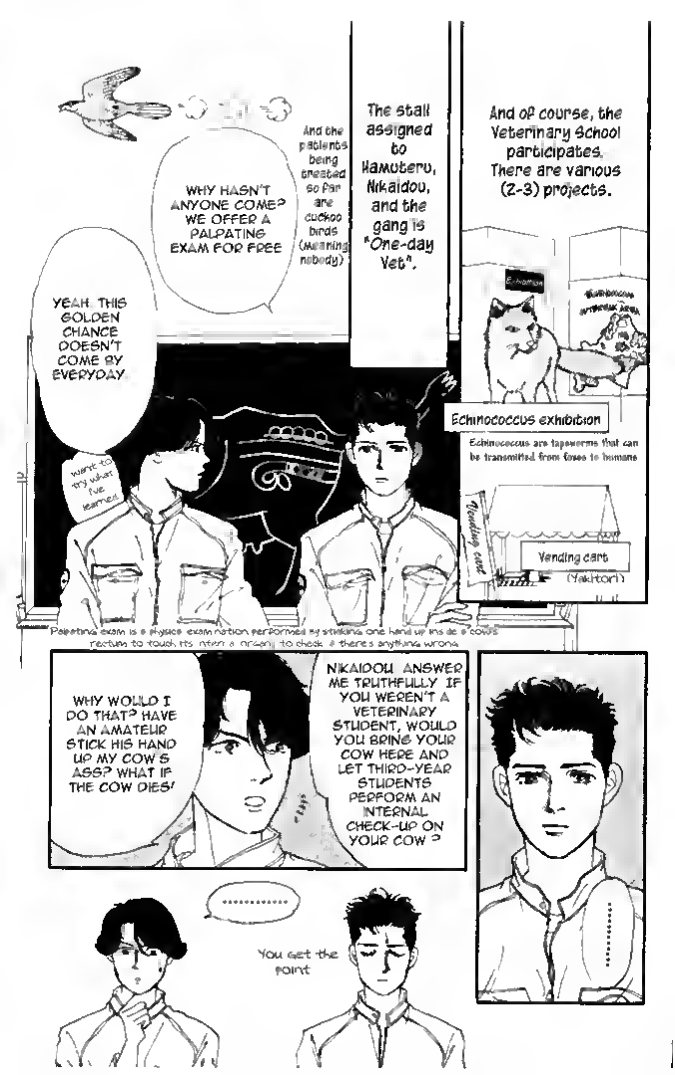
Mimi soba
Finish 100 bowls & they're free!
JUNGLE TEA HOUSE
DANCO ☆ MOON
ASTRONOMY CLUB
Every year H-University holds an annual Fair



And of course, the Veterinary School participates. There are various (2-3) projects.
Echinococcus exhibition
Echinococcus are tapeworms that can be transmitted from foxes to humans
Vending cart (Yakitori)
The stall assigned to Hamuteru, Nikaidou, and the gang is "One-day Vet".
And the patients being treated so far are cuckoo birds (meaning nobody)
WHY HASN'T ANYONE COME? WE OFFER A PALPATING EXAM FOR FREE
YEAH. THIS GOLDEN CHANCE DOESN'T COME BY EVERYDAY.
want to try what I've learned
Palpating exam is a physical examination performed by inserting one hand up into the rectum to touch its organs to check if there's anything wrong.
WHY WOULD I DO THAT? HAVE AN AMATEUR STICK HIS HAND UP MY COW'S ASS? WHAT IF THE COW DIES!
NIKAIDOU ANSWER ME TRUTHFULLY IF YOU WEREN'T A VETERINARY STUDENT, WOULD YOU BRING YOUR COW HERE AND LET THIRD-YEAR STUDENTS PERFORM AN INTERNAL CHECK-UP ON YOUR COW ?
.....
You get the point

STILL, MOST PEOPLE DON'T REALLY KNOW OR CARE ABOUT BOVINE ISSUES
IT'S ALL THE SAME
WHY DON'T WE ATTRACT THEIR ATTENTION WITH SOME SMALL CUTE ANIMALS?
BUT BESIDES THE PALPATING EXAM, WE ALSO OFFER...
TEMPERATURE MEASUREMENT
COW'S AUSCULTATION (CHECKING THE HEARTBEAT WITH A STETHOSCOPE)
PETTING THE COW
AH, A CUS-TOMER!
You don't have to comfort me
AH, CHOR! IT'S NOT THAT YOU'RE NOT CUTE BUT WITH YOUR SIZE, IT'S KINDA
WHERE'S H-UNIVERSI-TY?
IT'S ALRIGHT, MA'AM WE'RE OPEN UNTIL THE EVENING
SORRY TO BOTHER YOU...

COME ON IT'LL TAKE PAGES TO CONVINCE HER I DON'T HAVE THE PATIENCE
WHY DIDN'T YOU TELL HER THAT SHE'S ALREADY ON H-UNIVERSITY'S GROUNDS?
SUCH AS?
WE SHOULD HAVE OFFERED SOMETHING ELSE INSTEAD
BLAME THE LOCATION
So "One-day Vet" has never been a hit in past years.
The veterinary school is located on the north side of H-University where people rarely pass.
N
Here
LET'S CLOSE UP AND GO EAT YAKISOBA
THAT'S NOT SOMETHING ELSE
SHOWING A VIDEO OF A CALF'S BIRTH?
PALPATION* FOR HORSES?
T/N: a physical examination performed by touching the subject
Hooray!
AB-SOLUTE-LY NOT~~~

The department bought a new one with a loan. The new semester had almost begun by the time the technicians arrived to set it up, and while waiting, all the students did was caress the machine every day.

Especially Seiko-san's Public Health Department where the centrifugal machine broke down during the summer break.

Graduate students and the seniors continue their research even during the university fair.

IF I CAN'T PLAY HOOKY, NEITHER CAN YOU

New things are cool

SOB SOB

I ONLY ASKED TO TAKE SUNDAY OFF AND THEY WENT BERSERK

Now that the machine is up and running, the graduate students are up to their ears clearing their back-logged work

IS THIS THE "ONE-DAY VET"?

BUT NO ONE WILL COME EVEN IF WE BOTHER TO STAY

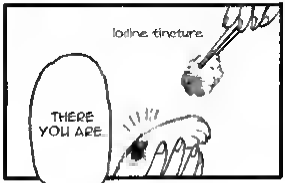
YOU CAN'T GO HAVE FUN!

That's why Seiko-san is all envious of those who can take days off.

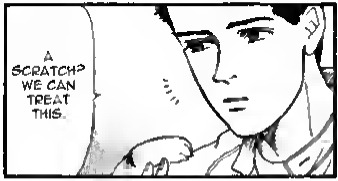
OF COURSE NOT, BUT THERE'S THIS.

We're not asking you to feel her womb.
My arm won't do.
YOU WANT US TO DO PALPATION?

We're closed!
Wow No way!
Wow a customer



Iodine tincture
THERE YOU ARE.



A SCRATCH? WE CAN TREAT THIS.

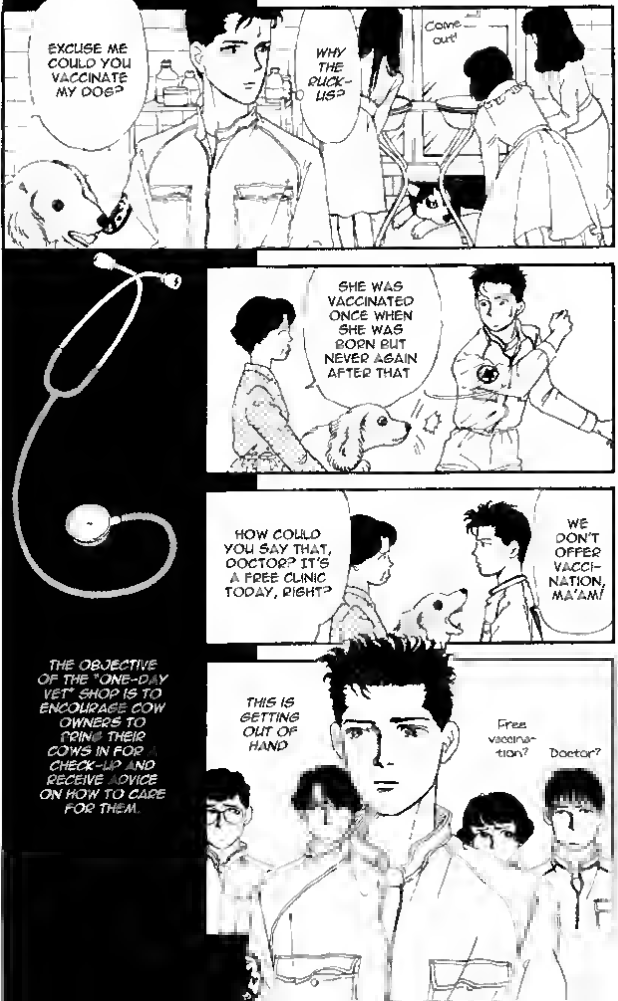
LET'S GO EAT YAKISOBA
WHAT-EVER
THAT WAS NO COW

THANK YOU!

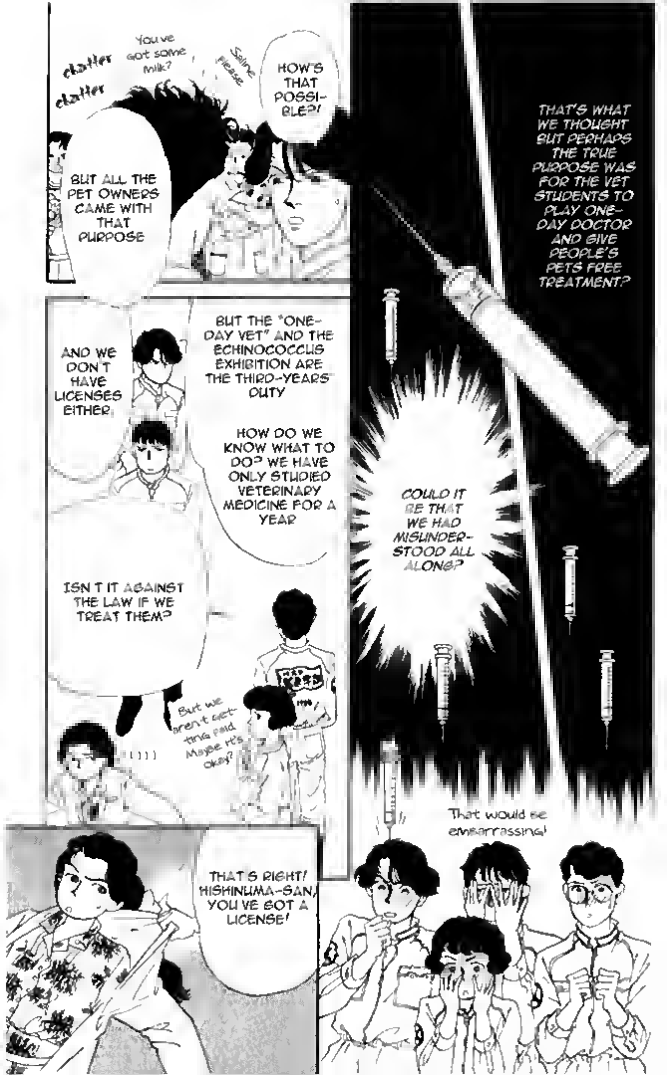
IS THIS PLACE THE "ONE-DAY VET"?

I WANT TO HAVE A DOG LIKE THIS. WHERE CAN I GET IT?
Afghan Hound
DUE TO CIRCUMSTANCES, I CAN'T KEEP MY CAT ANYMORE. IT'S PERSIAN. COULD YOU HELP ME?
MY GOLDFISH DOESN'T LOOK HAPPY
About that, it's kinda
WE'VE GOT PATIENTS BUT NONE OF THEM FIT THE PROFILE
Yeah
Hamuteru seemed to be able to handle everything thrown at him.
IS YOUR CAT TOILET-TRAINED?
YOUR GOLDFISH, TRY TO HAVE IT SWIM IN DILUTED SALINE
MOOnnn MOOnnn
NORIKO IS GETTING BORED
In the end, no one brought a patient in for palpation or temperature measurement
← Noriko
Yuki-chan →

SO THIS IS A HUSKY?
AH, IT'S HERE IT'S HERE
WHATEVER LET'S GO PONDER THIS OVER YAKISOBA
Let me touch her too!
My her fur is so thick!
Kya Scary face!
YES
THAT'S RIGHT
Fondle
Fondle
FLEE
Ah, she ran away



EXCUSE ME COULD YOU VACCINATE MY DOG?
WHY THE RUCK-US?
Come— out!
SHE WAS VACCINATED ONCE WHEN SHE WAS BORN BUT NEVER AGAIN AFTER THAT
HOW COULD YOU SAY THAT, DOCTOR? IT'S A FREE CLINIC TODAY, RIGHT?
WE DON'T OFFER VACCI-NATION, MA'AM!
THE OBJECTIVE OF THE "ONE-DAY VET" SHOP IS TO ENCOURAGE COW OWNERS TO BRING THEIR COWS IN FOR A CHECK-UP AND RECEIVE ADVICE ON HOW TO CARE FOR THEM.
THIS IS GETTING OUT OF HAND
Free vaccina-tion?
Doctor?



chatter
chatter
You've got some milk?
Sailing please
HOW'S THAT POSSIBLE?!
BUT ALL THE PET OWNERS CAME WITH THAT PURPOSE
THAT'S WHAT WE THOUGHT BUT PERHAPS THE TRUE PURPOSE WAS FOR THE VET STUDENTS TO PLAY ONE-DAY DOCTOR AND GIVE PEOPLE'S PETS FREE TREATMENT?
AND WE DON'T HAVE LICENSES EITHER
BUT THE "ONE-DAY VET" AND THE ECHINOCOCCUS EXHIBITION ARE THE THIRD-YEARS' DUTY
HOW DO WE KNOW WHAT TO DO? WE HAVE ONLY STUDIED VETERINARY MEDICINE FOR A YEAR
COULD IT BE THAT WE HAD MISUNDERSTOOD ALL ALONG?
ISN'T IT AGAINST THE LAW IF WE TREAT THEM?
But we aren't getting paid. Maybe it's okay?
(;;;)
That would be embarrassing!
THAT'S RIGHT! HISHINUMA-SAN, YOU'VE GOT A LICENSE!

HISHINUMA-SAN, PLEASE TAKE A SEAT HERE
GO FETCH SOME HELPERS FROM THE ECHINOCOCCUS EXHIBITION
NIKAIDOU, PERFORM SOMETHING TO ENTERTAIN THOSE WAITING IN LINE
If I don't get back to the lab the bacteria will d-
Do you sell vermicide here? For tapeworms?
AT LEAST YOU'VE GRADUATED, RIGHT?
WH-WHAT? YES, I HAVE A LICENSE BUT I'M STILL A STUDENT TOO
Hurry up
I DID BUT I'VE FORGOTTEN ALL THIS
I'm learning new things!
HAMUTERU, MY FOOT'S STEPPED ON
Insert the thermometer into the cow's rectum.
NEXT, WE'LL DEMONSTRATE HOW TO MEASURE THE COW'S TEMPERATURE
SIDE SHOW
Tilt Nerikei's face at an angle
And to make sure it doesn't fall out, clip the thermometer to the cow's hair.
STOMP
very stylish
Try to keep her eyes horizontal
Moo
(chibi's fit)

If you PorcePolly pull your Poob out, you might break the cow's leg. So you have to wait until the cow lifts it's hoof.

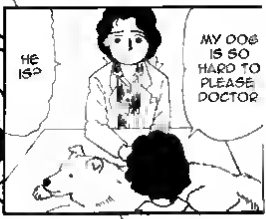
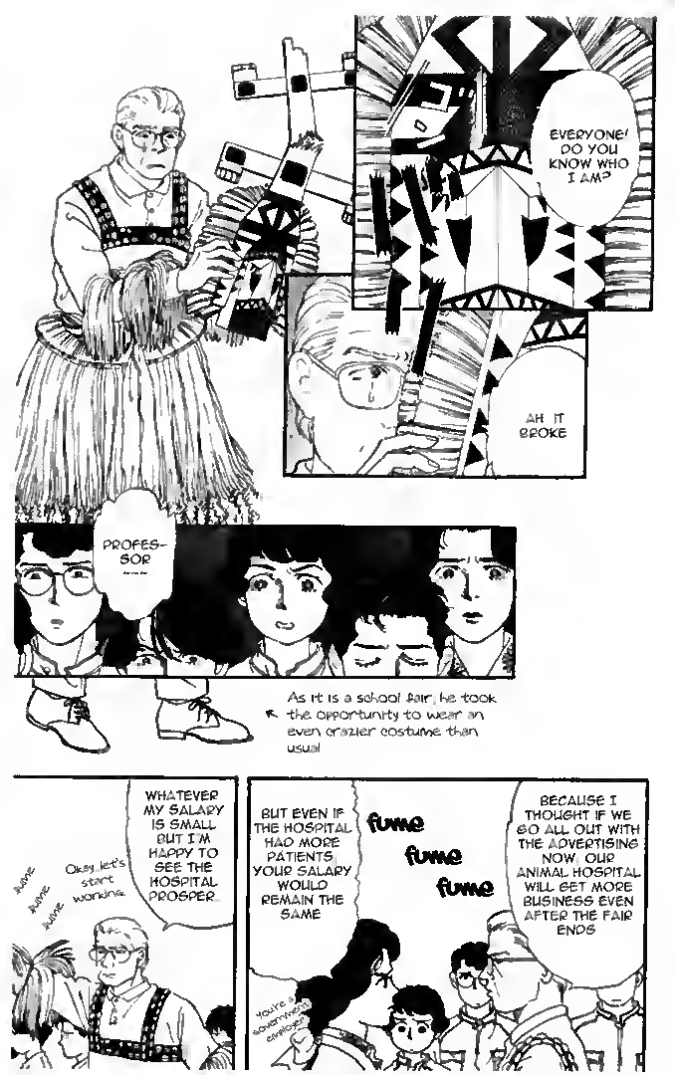
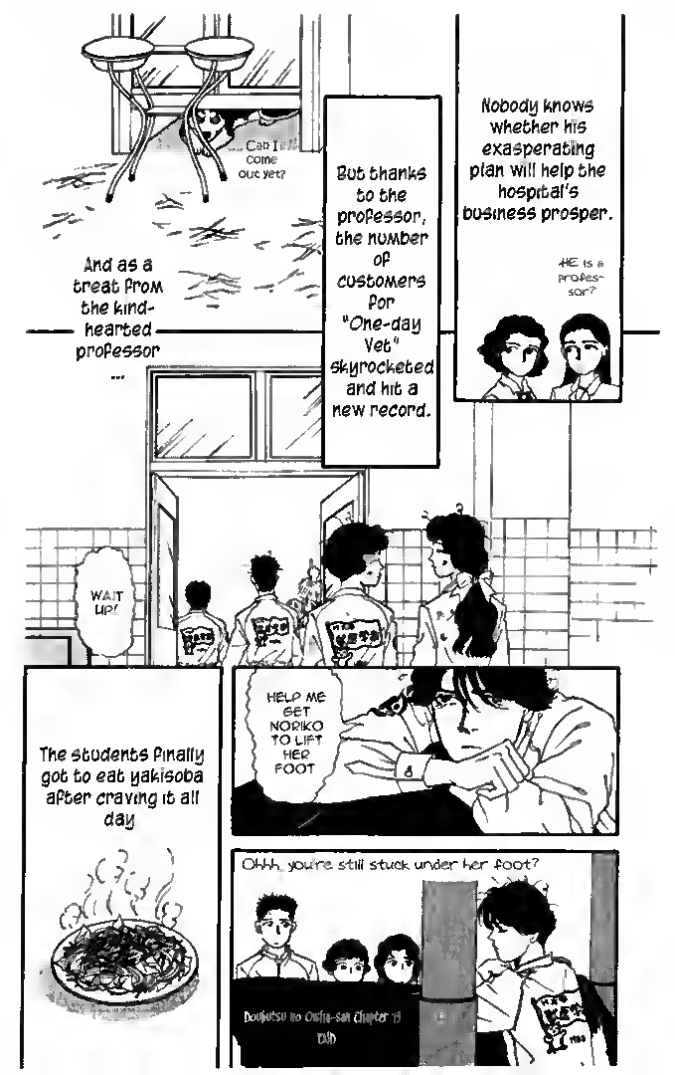
Don't miss it! Come me us today!



WHERE DID YOU GET THESE FLYERS?
FROM A GUY IN A WEIRD COSTUME.
LIKE THOSE IN THE PARADE?
THE REASON WE HAVE TO RUN AROUND IN CIRCLES DOING SOMETHING WE'RE NOT SUPPOSED TO DO IS BECAUSE OF THESE STUPID FLYERS!
SO THEY CAME HERE BECAUSE OF THESE FLYERS
BUT THE PARADE WAS OVER ON THE FIRST DAY OF THE FAIR
SO THE CULPRIT WAS TRYING TO HIDE HIS REAL IDENTITY
I DOUBT IT'S THAT DRAMATIC. MAYBE WE SHOULD FOCUS OUR ATTENTION ON THE GUY WHO USUALLY DRESSES UP IN WEIRD COSTUMES
WHAT'S THAT SHADOW?



EVERYONE! DO YOU KNOW WHO I AM?
AH IT BROKE
PROFES-SOR ----
As it is a school fair, he took the opportunity to wear an even crazier costume than usual
WHATEVER MY SALARY IS SMALL BUT I'M HAPPY TO SEE THE HOSPITAL PROSPER.
June June June
Okay, let's start working.
BUT EVEN IF THE HOSPITAL HAD MORE PATIENTS, YOUR SALARY WOULD REMAIN THE SAME
fume fume fume
BECAUSE I THOUGHT IF WE GO ALL OUT WITH THE ADVERTISING NOW, OUR ANIMAL HOSPITAL WILL GET MORE BUSINESS EVEN AFTER THE FAIR ENDS
You're a scheming genius!



... Can I come out yet?
But thanks to the professor, the number of customers for "One-day Vet" skyrocketed and hit a new record.
Nobody knows whether his exasperating plan will help the hospital's business prosper.
HE is a professor?
And as a treat from the kind-hearted professor ...
WAIT UP!
HELP ME GET NORIKO TO LIFT HER FOOT
The students finally got to eat yakisoba after craving it all day
Ohhh, you're still stuck under her foot?
